

Main reporting table with columns for 'Rendiconto di gestione', 'Situazione patrimoniale e finanziaria', 'Dati generali', and 'Dati analitici'. Includes rows for 'Gestione ordinaria' and 'Gestione straordinaria'.

Il sottoscritto... (Signature area)

Table with multiple columns and rows, containing numerical data and descriptive text. The table is organized into a grid with approximately 28 columns and 16 rows of data blocks. Each data block contains a list of values, likely representing a sequence of numbers or measurements. The text in the first column of each row is partially legible and appears to be a list of items or identifiers. The numerical values are arranged in a regular, repeating pattern across the rows and columns.

Table with 29 columns and 14 rows. The table contains numerical data, likely representing financial or operational metrics. The columns are organized into several groups, and the rows represent different categories or periods. The data is presented in a grid format with alternating shaded cells.

Уведомление о том, что...

Table with 100 columns and multiple rows containing data points and text annotations. Includes a large table area and a small text block on the left side.

... (small text block on the left margin)

Table with 10 columns and 6 main sections. The table contains various numerical values and text descriptions in Russian, organized into a structured grid. The columns represent different categories or stages, and the rows represent specific items or groups. The text is dense and follows a consistent layout across all sections.
